

## 【2019 年】中国某大学毕业后去向变化

某高校 2013 年和 2018 年本科毕业生去向统计

### 中国某大学毕业后去向变化 (英文)

Pursuing a higher degree or starting a business is gaining a great popularity among college students. As is clearly demonstrated in the chart, the proportion of them who chose to take a job after graduation decreased from 68.1% in 2013 to 60.7% in 2018. By contrast, the proportions of those who chose to continue their education or start their own business experienced an increase during the same period, from 26.3% and 1.3% to 34.% and 2.6% respectively.

So, what might be the reason for such a phenomenon? From my perspective, at least two fundamental factors should be taken into consideration. First and foremost, pursuing a master or doctoral degree can broaden one's way of thinking and enrich his academic experience, (which allows him to gain a competitive edge in the job market). Meanwhile/In comparison, by exposing themselves to different people and environment, starting a business is conducive to the improvement of their overall abilities.

Personally, I believe the trend indicated in the chart will remain unchanged in the next several years. However, it is our government and schools' responsibility to provide college graduates with a more favorable work and study environment. I sincerely hope that every individual can reap huge benefits in this process. (194 words)

### 中国某大学毕业后去向变化 (中文)

升学和创业在大学生中开始受到青睐。如该表所示,中国大学毕业生选择就业的比例从 2013 年的 68.1%下降至 2013 年的 60.7%;相比之下,在此期间选择升学和创业的学生比例都经历了增长,分别从 26.3%和 1.3% 增长到 34.% and 2.6%。

那么,是什么造成了这种现象?我认为,至少应该考虑两方面重要因素。首先,考研考博可以拓宽一个人的思维并丰富他的学习经历。(这会让他在就业市场中获得竞争优势)此外/作为对比,通过让自己接触到不同的人和环境,创业有助于提升一个人的综合能力。

我个人认为,表中反映的现象在未来几年仍会保持不变。而我们的政府和学校有责任为毕业生们提供更令人满意的学习和工作环境。衷心希望每个人都可以从中受益。

## 常见话题表达储备：

(1) 升学 = pursue a higher degree; 考研考博 = pursue a master or doctoral degree

(2) 创业 = starting a business; creating one's own company or startups; starting a venture

(3) 就业 = take a job

(4) 考公 = take national civil servant exams;

当公务员 = being a civil servant, working for the government

好处 1: Working for the government usually means a stable income as well as a potentially high social status. (句型: xxx means xxx)

好处 2: By exposing themselves to different people and working environment, being a civil servant gives them a good opportunity to develop their overall ability. (句型 By exposing themselves to ..., xxx gives them a good opportunity to ....)
