Dear Mr. President,

I feel very privileged to write to you. My name is Li Ming. I am a senior in our school and the purpose of my writing this letter is to give you some suggestions on how to improve students' physical condition.

To begin with, our school should organize more sports competitions to promote the awareness of doing exercise among students. In addition, it would be better if our school can invite some experts and provide more lectures for students, so that they can have a more comprehensive knowledge of how to do sports in a scientific way.

I would appreciate it if you take my suggestions into consideration and I sincerely hope that every student in our school can benefit from these measures. **(123 words)**

Yours sincerely,

Li Ming

您诚挚地，
李明
