

## (MrJin 原创) 小作文——求学信

Dear Sir or Madam,

Maybe you will never imagine how excited and privileged I am when writing this letter to you. Anyway, I want to take this precious opportunity to express my strong interest and willingness to apply to your esteemed school.

In my eyes, your school has a very good international reputation and I have always been aspiring to be one of you. Actually, to be qualified for the admission, I've been working very hard during the past three years. So far, I have won the national scholarship for three consecutive years and issued five academic papers on the core journals in my field.

If you want to know more about me, please see my resume in which you can find all the details of my awards and certificates. I would appreciate it if you can take my application into consideration and I'm looking forward to your reply.

Yours sincerely,  
Li Ming
